PROFIT WARNING

This announcement is made by board (the “**Board**”) of directors (the “**Directors**”) of TradeGo FinTech Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the information currently available to the Board and the unaudited consolidated management accounts of the Group, it is expected that the Group will incur a net loss before listing expenses ranging from (HK\$1 million) to (HK\$5 million) for the year ended 31 March 2019 as compared with a net profit before listing expenses of approximately HK\$5 million recorded for the year ended 31 March 2018, although the revenue for the year ended 31 March 2019 is expected to be higher than that for the year ended 31 March 2018. The aforesaid net loss before listing expenses was mainly due to (i) the increase in staff costs mainly caused by the increase in directors’ remuneration and the increase in salaries and benefits for staff; and (ii) the increase in selling, general and administrative expenses mainly caused by the increase in audit, legal and professional fees.

As the Company is still in the process of finalising the Group’s consolidated financial results for the year ended 31 March 2019, the information contained in this announcement is only based on a preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Group for the year ended 31 March 2019 and information currently available to the Board, which has neither been audited nor reviewed by the Company’s independent auditor and/or the audit committee of the Company and may be subject to change.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company and are advised to refer to the details in the announcement of annual results for the year ended 31 March 2019 to be published by the Company in late June 2019.
